## what's happening

We are in the middle of our second team in three weeks. They will leave on Friday and our next team will arrive the same day. Needless to say life has been a little crazy and busy with all the preparations and hosting of teams. The first team that came to Lempira worked on making some improvements to the pastor training center. They worked really hard and got a lot accomplished. It was great timing as we will be having a week long session the first week in March.

The team that is with us right now is working on the Baptist radio station that is in Puerto Lempira. They are working on putting a new antenna at the radio station. They are also building a small annex onto the radio station. This will be used as a bookstore where they can sell bibles, music and other things. The funds earned from this will go towards helping to pay the bills for and maintain the radio station. Please pray for the team as they work hard to help improve a great tool for sharing God's word.

The next team will be going across the lagoon to an island to help a church there. The team will be camping and working out there for several days. Please pray for them as they work and minister to the Miskito people.

In the middle of all these teams Amanda is traveling to an IMB ladies retreat in Mexico. Please pray that this would be an encouraging and refreshing time for her. Pray for William and Liam as they host the rest of our second team and receive the third team. Pray that Amanda will not worry too much about them.

We are so thankful for all of you who lift us up in prayer. We have had some really encouraging and challenging times over the past month. Please be diligent to lift us up in prayer as often as you think of us. Looking forward to hearing from you soon.

## liam's notes:

I really enjoy being a missionary kid. I get to do lots of cool things like fly the ambassador's plane!! I have enjoyed having lots of people at my house that talk like my mom and dad. I am learning new words all the time in English, Spanish, and Miskito. I am looking forward to my grandparents coming next month!!
